NORTHERN TERRITORY - AUSTRALIA

Outback Adventures

Wetlands Wilderness Experience - WWE

Experience the true NT outback with your very own private helicopter, with doors on or off?

Either way the view from above is simply spectacular as we fly over the Adelaide and Mary River floodplains. Teaming with wildlife this ecosystem hosts the highest density saltwater crocodile population in the world. Surrounded by an abundance of water buffalo, wild boar, wallabies, brumbies, dingoes and thousands of waterfowl, including jabirus and broilgas.

An airboat awaits to whizz you around the

wetlands, you're now eye level with these amazing creatures as we follow them across the floodplains, hear their calls, this is the only way to truly sense the wild Top End in comfort and safety on your own private tour. Be sure to bring your camera, this is one tour not to be missed.

Duration: 70 Minutes
Cost: \$750 pp
